No additions to the agenda.

Sheriff's meeting was held October 22, 2009, Beth Winchester went and the discussion was held on H1N1, radios and WAAS equipment. Beth gave the updates to squad. The radio tower is up and tested throughout Winona County, however, the City of Winona does not get good coverage and an extra tower was added to Garvin Heights area. The County will provide the programming services instead of an outside source (no Whitewater Wireless.) H1N1 shots are still available for anyone that didn't get one.
