

Stockton First Responders

September 20, 2010

Call to Order at 7:10 P.M., with attendance by Mark Larsen, Beth Winchester, and Chad Larson, with guests Josh DeGuara and Justin Annis.

Mark Larsen made a motion to accept the May 2010 minutes, with a second from Chad Larson. Motion passed. (There was no July 2010 meeting.)

Chad Larson made a motion to accept the financial report with a second from Mark Larsen. Motion passed.

Chad requested to add AED and Radio & Pagers to the agenda.

NEW BUSINESS:

New members Justin Annis and Josh DeGuara will have their final test November 9th. Discussion on supplies, must contact Cheryl Beeman and Chris Schuh to receive our supplies back.

Beth requested a time change of the meetings from 7:00 pm to 6:00 pm. No one had a problem with that, and Beth will email the other members that didn't make it with the time change and the by-law statement of missing more than 50% of the meetings.

Chad would like to get the AED out on the street instead of sitting in our room. Chad would take it, but he would need to leave it in the room when he goes out of town for an extended period of time.

Chad stated the radios have arrived at Winona Fire, but we probably won't get them until August 2011 since they still need to be programmed. Pagers will be coming later.
