

CITY OF STOCKTON

April 26, 2010

COMMITTEE:

Green Space Committee

THOSE PRESENT:

Lisa Gibbs
Adam Johnson
Beth Winchester

DISCUSSION POINTS:

- Native Grasses: Lisa will meet with Scott Ringler tomorrow to walk the areas, grasses will not be in the ditch areas.
- Swamp White Oaks: These will be planted at 8230 W. 5th Street by the end of May. Will need to call Gopher State one call before planting. Would like to move the hydrangeas to 8290 W. Sixth property.
- Disbanding: Committee recommends disbanding after the native grasses are installed since there is nothing more that can be done by this committee.
- 8290 W. 6th Street: Lisa will coordinate boulder work on this property with Adam this summer.
- 8560 & 8530 D Street: Discussed what could work here for planting, though want to wait until native grasses are paid to see how much money is left.
- Bryce Maus: Lisa will call him to determine when he will plant the trees and to see if they are still going to put a bench in on Barb Lane.
