THOSE PRESENT: Robyn Wehlage Adam Johnson Beth Winchester DISCUSSION POINTS: Seth: Lisa will walk through with Winona Nursery about the Native Grass areas. Will need to do Round-up first and that requires 50 degree temperatures. From the Water project, would not need to do the Native grass areas, put in writing for the Engineer not to have those areas done as we will be doing round-up. drainage issue needs to be looked at by our Engineer, ponding issue. Budget for two of them for the 2011 year, one for D & 5th Street and one for Barb Lane area. possibly blacktopping a turn around area at the end of the street since there isn't an area to do that in. Seek DRN grant for kiosks on Native Grasses. RECOMMENDATIONS TO COUNCIL: ACTION REQUESTED) E Street Culvert: Drainage issues, need to check into ponding issue podding/Seeding: Native Grass areas do not need this as part of the Water Project ext meeting Monday, April 26 – 5:30 pm Hease complete and submit this form to the City Council for each Committee meeting held.	MEETING DATE:	CITY OF STOCKTON
