

MEETING DATE: May 24, 2010	CITY OF STOCKTON		
COMMITTEE:	Green Space Committee		
THOSE PRESENT:	Lisa Gibbs Adam Johnson Beth Winchester Robyn Wehlage		
DISCUSSION POINTS:			
Native Grasses:	Round up will be used 3 x this summer with planting in the Fall, Lisa will let us know when the weed killer will be used. Chad is to keep the area mowed but keep it taller than the boundaries that he wants.		
8440 E Street area:	Native grasses will infiltrate this area for the ponding issue, though the water project still has some work to be done there.		
Swamp White Oaks:	These will be planted at 8230 W. 5th Street by the end of May. Will need to call Gopher State one call before planting. Would like to move the hydrangeas to 8290 W. Sixth property.		
Disbanding:	Committee will disband after this meeting unless there is something that comes up and everyone will be emailed with a meeting date.		
8370 West Main:	Robyn doesn't like the idea of a parking lot on this property, it's not esthetically pleasing and the traffic will become congested when Mayo leaves for the day.		
Bryce Maus:	Lisa will call him to determine when he will plant the trees and to see if they are still going to put a bench in on Barb Lane.
