

Meeting Date:	CITY OF STOCKTON	
	April 25, 2011	
COMMITTEE:	Plan & Zoning	
THOSE PRESENT:	Jack Roberts	
	Dixie Brown	
	Beth Winchester	
	Adam Johnson	
	Robyn Wehlage	
DISCUSSION POINTS:		
16 Jenny Lane:	Requesting a CUP for a Hamm radio transmitter antenna. Antenna would be 60-feet, with guy wires attached to trees in neighbors yard. The base would be 18-inches with a 12-foot aerial at the 50-foot mark. The Hamm radio may come into use during an emergency. The FCC regulates what Hamm operators can do. Committee recommends passing, if a written letter from Dave McCorquodale since it is Mobile Home Park property, also written letters from neighbors saying they agree to the guy wires, a site plan, a copy of his Hamm license, and a copy of his homeowners insurance in case something does happen.	
Schell:	Discussion of the garage for the property. Since the garage is already existing the committee recommends the Council pass the garage with the stipulation Mr. Shell paints the outside to match the cabin.	
RECOMMENDATIONS TO COUNCIL: (ACTION REQUESTED)		
16 Jenny Lane:	Written approval from land owner, site plan, license copy, homeowners insurance copy, and approval from neighbors. Must have all these things turned in before the May council meeting to pass.	
Schell:	Existing garage must match in color to the cabin	
Next Meeting:	Monday, May 23, 2011 - 7:00 P.M.	
	<i>Please complete and submit this form to the City Council for each Committee meeting held.</i>
