

Meeting Date:	CITY OF STOCKTON		
14-Jun-10			
COMMITTEE:	Plan & Zoning		
THOSE PRESENT:	Adam Johnson, Mike Wadewitz		
	Dave Wadewitz, Wm Wehlage		
	Jack Roberts, Chris Parker		
	Leasah Lilla, Doug Seberg		
	Beth Winchester		
DISCUSSION POINTS:			
North Broadway Bridge:	Abutment cost: \$114,218 - Sewer Extension \$55,120 - Engineering fee for construction \$47040 (Bridge construction \$411,110; this is paid by County Grant)		
	City total: \$216,378 - Committee recommends using Sewer Checking money to cover the sewer extension along with \$20,000 from General Fund and \$5,000 from Road & Bridge funds and to bond for about \$136,000. Will need to get estimate of what the bond will cost, Beth will find that out before the next council meeting.		
Harmida Inc.:	Willing to pay \$4500 to help with cost and contribute fill material for the temporary bypass lane, though construction company would need to transport the fill from the subdivision at cost. (Construction fill is estimated at \$22,000 currently.)		
Bridge Plans:	Should only be a one lane bypass, not two since it cannot hold the weight of heavy equipment. Plans should also show water mains and lines in that area that have just been put in. Should also show the approach to the retention ponds.		
Bids:	Dave Kramer stated the bids could be done this year with construction next year. Committee recommended getting bids this fall for Spring 2011 construction - will need to discuss with DNR on bridge plans to see if anything needs to be changed.		
RECOMMENDATIONS TO COUNCIL:			
(ACTION REQUESTED)			
North Broadway Bridge:	Use \$80,000 of our own money and bond \$136,000.		
Harmida Inc.:	Pay \$4500 toward cost with contribution of fill material for by pass lane.		
Bids:	Putting out to bid Fall 2010 with construction Spring 2011		
Next Meeting:	Monday, July 26, 2010 - 7:00 P.M.		
<i>Please complete and submit this form to the City Council for each Committee meeting held.</i>
