

	CITY OF STOCKTON	
Meeting Date:	October 25, 2010	
COMMITTEE:	Plan & Zoning	
THOSE PRESENT:	Dixie Brown Beth Winchester	
DISCUSSION POINTS:		
Oevering, Ken:	Requested to build a new 24' x 32' garage on the cement slab where the old one just got torn down. Concrete slab is 30' x 40' so there is plenty of room. Beth got the materials list from Ken, but no site plan. If slab is not 25' off the front property line, Ken will need to request a CUP.	
Fences:	Jack was on vacation but requested the committee look at the fencing issue. Jack requested people to fill out a building permit application, pay a small fee for administration purposes and have the Clerk give out a building permit for the fencing. Committee recommended the council discuss this issue.	
RECOMMENDATIONS TO COUNCIL:
