

MEETING DATE:	CITY OF STOCKTON	
February 27, 2012		
COMMITTEE:	Sewer & Water	
THOSE PRESENT:	Chad Larson, Mike Wadewitz	
	Adam Johnson, Bill Trygstad	
	Neil Hjemeland	
	Jack Roberts	
	Beth Winchester	
	Chris Parker	
DISCUSSION POINTS:		
Lift Station #3:	Still has rags/wipes, letter to be sent with sewer billing in March.	
Water usage:	There is a 30,000 gallon difference between the wellhouse and what residents use for the month of January. 8 water meters have been replaced since they have slowed down or stopped. Will send them on to the manufacturer to test and repair.	
Sewer Liner:	Veit has an estimate of \$43 per foot for the sewer liner between E & D Street on Highway 14. Committee recommended to get an up to date estimate, with the 2 service lines included and when can they begin the work. Maybe they can do the work before Hwy. 14 gets torn up.	
Broken Pipe:	They did call to get the sizes they need, and he will come to sort them out with Chad soon.	
Blacktop streets:	Bill Trygstad will come through in Spring to determine what Heselton needs to fix before the bond runs out on June 16th. There are areas of blacktop that dip, and will need to be fixed.	
Wapasha:	They haven't given the proposal to Bill yet, he will call on them tomorrow.	
Phase III:	No plans yet, waiting on McCorquodale affidavit, recommend a deadline March council meeting for him to respond.	
RECOMMENDATIONS TO COUNCIL:		
(ACTION REQUESTED)		
Sewer Liner:	Committee recommended to get an up to date estimate, with the 2 service lines included and when can they begin the work.
