Dunn will stop about 100-feet from where Hwy. 14 ended, that should be done, Bill Trygstad says it will be about \$2500-3000 to do this part. Chad Larson asked for the grindings, to be used on the ball field parking lots.

Hwy. 14 Beautification: TMD does not want any trees, and neither does Donna Roedeske. Quotes from Jim Whiting nursery of Rochester came in at \$9,000, with no mulch or woodchips, Christine's Landscaping came in at \$13,000 and Winona Nursery came in at \$16,000. Lisa Gibbs stated Winona Nursery quoted trees that were too big, as they did not have the ones we wanted, and Jim Whiting was not a reliable nursery. Ms. Gibbs requested the City go with the most completed quote of Christine's Landscaping. Council agreed not to go over \$15,000.

E. 9th Street Sewer: The homeowner's letter will go out this week on E. 9th street for feedback. Discussion was held on whether the E. 9th Street homeowners were assessed for Lift Station #4 for \$1500 when it was put in.

CITY MAINTENANCE

Seal Coating: Barga Incorporated quoted 16,500 square yard at \$1.98, with total price of \$32,670. Neil Hjelmeland says the RePlay is actually a fog seal, not street sealing and will make your streets slippery. Neil Hjelmeland will work with Chad Larson to get the right product for our streets, like chip seals instead.

Minnowa Const.: Minnowa sent a letter stating they will fix the area at Lift Station #3 for free, but the quote for rip rap behind the lift station at a cost of \$3600 for 60 cu. Yds. Potter Construction gave a quote for \$1200 for 30 yards; however, the City needs double that which would only cost \$2400. Council agreed to have Minnowa fix the area next to the lift station, and have Potter Construction come in right after to fix behind the lift station.

Lisa Gibbs made a motion to close the Stockton City Council meeting, with a second from Neil Hjelmeland. Motion passed, meeting adjourned at 7:55 PM
